SELETAR THEATRE CLUB

CHAIRMAN'S LETTER

Dear Patrons,

As the newly appointed Chairman of the Seletar Theatre Club, I would like to welcome you to the theatre this evening. I take over my duties from Flight Lieutenant J. S. Goodall, and on behalf of the club I would say thank you for the work he has done during his stay at Seletar.

The Club, as you know, has just won the Services Drama Festival and so our spirits are high. Our festival play J.B. was produced by Mrs. Juliana Goss and I would like to take this opportunity of congratulating her and her team for such excellent theatre. From the 15th-19th January we will present Aladdin and we hope to see you all again on this occasion. Should any of you wish to join the club we would be pleased to have your application for membership.

I hope you have an enjoyable evening's entertainment.

D. A. R. LEAN.
Squadron Leader.
Chairman.
